205 GTX

Special Edition
205

205

the 205 GTX

Since its inception the 205 has become the cult car of its class, with its timeless exterior design continuing to turn heads. The 205 GTX special edition is an extension of that fine heritage of classic sporting hatchbacks.

Available in a choice of four metallic colours with a deep front spoiler, auxiliary driving lights and sports style wheels, the 205 GTX is a car that commands respect on the road. And coupled with the availability of 3 or 5 door

versions and Peugeot's unique ICD road handling system, the 205 GTX will help you to re-discover driving enjoyment.

The stylish exterior is equalled inside with a list of features not usually found in this class of car. Supportive sports seats are trimmed in grey "Richmond" velour and offer an excellent driving position. Finishing touches extend to the sports steering wheel and luxury extras such as electric front windows, sliding glass sunroof and a Clarion 4 speaker digital stereo radio with stereo cassette.

- Integrated Chassis Design (ICD) ensures excellent handling and a smooth ride.
- External mirrors with interior adjustment are fitted to all models.
- Pininfarina - inspired body has excellent aerodynamics and low wind noise.
- Brake systems incorporate servo assistance for lighter pedal effort when braking hard.
- Rear seats fold down and are split 50/50 to make extra space for large loads.
- Interior design makes best use of space to give accommodation that is spacious and comfortable.

Under the bonnet the GTX also excels with its lusty 1.4 litre engine taking you from standstill to 62 mph in an exhilarating 10.6 seconds, whilst offering the best of both power and fuel economy in returning a frugal 50.4 mpg at a constant 56 mph.

Test drive the new Peugeot 205 GTX and enjoy how modern day motoring is meant to be.
